The answers to these questions will be the basis of the ratings you will receive and the issues we would like addressed by you in other settings.

In previous elections there have been cases where two well-rated candidates running against a third poorly rated candidate will “split the vote”

leaving the poorly rated candidate with the win. In such a case where two candidates may split the vote, the KCRCC Election Committee will encourage the candidate with the second highest rating to drop out and run again at a later time.

Those who fail to respond to this questionnaire will likely receive lower ratings.

Please respond by the date requested of you, typically soon after the candidate-filing deadline.

FOR COMMITTEEMEN:

The Rating and Vetting Program is designed to assist the KCRCC in getting information to the voters in your precinct through walking, mail, social and other media, and passing out sample ballots. In order to identify the very best candidate for each race, your job as an elected Precinct Committeeman is to vet then rate using the criteria above stated AND by confidentially contacting each other for additional information. It is your obligation to submit final ratings at a time and place designated by the Election Committee.

1. The only thing I have been elected to was a committee man for the republican central committee. And my voting record has been consistent with what would be expected as a member of the committee.
2. I have been a republican from the time I was old enough to vote. The first president I ever voted for was Ronald Regan. I have consistently voted for the conservative agenda which to this point has always been republican.
3.

 - B) To provide law and order.
 - C) To protect us from foreign invaders.
4. I am running to be a Kootenai School District board member because:
 - A) Because this is my community and it's a way that I can participate and do my part as a Citizen of my community.
 - B) I had 5 children who all graduated from Kootenai. They all received a fantastic education and were well prepared to further their education and be productive citizens where they choose to live. I feel that I can help to repay the education that they received by doing my part.
 - C) I have already served on this school board for 7 years before and I've had several People in my zone express their confidence in having me serve in this capacity again.
 - D) My goals by serving on the school board is to help ensure that the education that the Kids are getting continues to be an education that will help to ensure the quality, Sustainability, and security of this nation that so many people before hand have Sacrificed to create.
5. I have been on the central committee and a committeeman for nearly 2 years. I have served in different capacities in my church organizations for close to 40 years. And like I said previously I have already had a 7 year run as a school board member. I have also buried a lot of dead horses for free.
6. I consider myself fiscally conservative, I have operated a small business in Idaho for over 30 Years. I feel that I know when, where, and how to spend money properly. I Understand the adage of "Waste not, want not" but I also understand that there is a time and a place for the sacred funds of our tax payers to be utilized to prepare our children for the future and this needs to be handled with good common sense.
7. I don't know what it means to be socially conservative. I live my life to the best of my ability not to cause conflict unnecessarily and in the service to others. I keep my mouth shut maybe more so than I should but only speak when I have something worthwhile to say. If this is being socially conservative, than, I am.

8. The republican party of course. I don't necessarily disagree with anything in the platform specifically but I feel at times there is room for negotiations with other schools of thought.
